

Care for Women Announces The Retirement of Richard J. Spinnato, M.D.

*The comprehensive care you need.
The compassion & convenience you deserve.*

It is with mixed emotions, after 30 years, that I announce my retirement from Care for Women. My last day in the office will be December 20, 2018.

It has been a great pleasure to serve as your physician, and it has been an honor to provide for your healthcare needs over the years. This was a difficult decision, made after many factors were considered.

Each of the physicians at Care for Women was chosen with great care, and you will find any one of them to be highly qualified to provide for your continued medical needs. If, however, you decide to transfer to a different practice, the staff will be happy to transfer your records upon receipt of the appropriate forms from your new physician.

Again, thank you so much for allowing me the privilege of serving you. I have greatly valued our relationship and appreciate your loyalty. Best wishes for your health and the health of your family.

Sincerely,

Richard J. Spinnato, M.D.
